

## **History 17A - Video Response 1**

**2 or more page-sides, double-spaced (skip lines)**

**Complete in class!**

How does the documentary characterize Columbus and his voyage, and how does this characterization match up with what you read in the textbook and primary sources for this unit? How accurate does the documentary's assessment seem to be, and why?

Use facts from the textbook and ideas presented in the primary source documents to back up your assertions! You can use your books and notes to help you. :)
